

# “Back our Bid” to provide a community centre

**As part of Norfolk County Council’s programme of service changes the old Elementary School Building on School Lane, Sprowston will be decommissioned on 31 August 2011.**

There is no doubt that Sprowston has long been in need of a community centre and this building offers a wonderful opportunity for the Parish as it already has numerous rooms, large car park and adjacent playing field, which could be used for a range of activities by individuals and local groups.

We feel that the Parish Council, as a community organisation, is best placed to manage facilities in Sprowston and with this in mind the Council has submitted an expression of interest in this building and adjoining field. We now need to put forward a detailed business plan to Norfolk County Council for consideration, which must demonstrate that we have consulted with residents to gain their views, and if there is support in the community for such a venture.

We are currently preparing this document and would ask you to “Back our Bid” by letting us know your views, either via email, telephone, in person at the Council Office or alternatively by completing and returning the questionnaire overleaf. We are interested in what future use your family or community group could make of this venue. We will have a stand at our fete on 18 June 2011, come and see us to discuss this further and take the opportunity to return your completed form (printed overleaf).

**If we don’t act now we will lose this rare opportunity to obtain a building with so much potential for community use and of such historic interest.**
