Footnote:

<sup>1</sup> Councillors have a statutory legal duty under the Local Government Act 2000, to declare any personal or prejudicial interest they have in items contained in the above agenda. Failure to do so may result in the individual Councillor being reported to the Standards Board for England.

Town Councillors are reminded that they have a duty to state a Declaration of Interest prior to the appropriate agenda item and to consider the Crime and Disorder Act 1998 s.17 when reaching a decision.

Planning Applications listed above are those in the office at the time of publication of the Agenda. The Council may consider others received up to the date of the meeting if appropriate. Plans may be viewed in the Council office during office hours, and are available from 7 pm on the date of the meeting. Alternatively, to view on line please go to <u>www.broadland.gov.uk</u> and follow the links through to planning.

It should be noted that Councillors B Baby, A R Tipple, E H Tovell and K Vincent will or could be making comments on the planning applications at this meeting as a non-statutory consultee on behalf of the Town Council. However, as all four Councillors are on the Planning Committee of Broadland District Council, they would like it made clear that their views could change at those meetings when more information could lead them to a differing view than that expressed at this meeting. To this end they will be abstaining from voting on planning matters.

This Meeting is open to the Public and the Press. Copies of this Agenda and Draft Minutes referred to above are available from the Council Office. Signed copies of the Minutes may also be downloaded from the Council's website <u>www.sprowston-tc.gov.uk</u> (go to Agenda and Minutes page). They are available (unless marked confidential) for public inspection at the Council Offices during public opening hours.

In the interests of openness and transparency, Councillors and members of the public are reminded that the law permits any person to film, record, photograph or use social media in order to report on

the proceedings of a meeting of the Council. The Council request that anyone wishing to record the meeting lets the Council know beforehand so appropriate arrangements can be made to facilitate the recording.

**Councillors (Cllrs.) Present:** W F Couzens (Chair), J Leggett (Vice-Chair)

> B Baby - D Coleman M A Booth - J H Mallen S D Booth - A L Parker M G Callam - J Vasco K Vincent

**Officers:** G Ranaweera (Town Clerk and Responsible Financial Officer) E Elliot (Committee Officer)

In attendance: Kristian Crittenden, Flight Lieutenant (RAFAC) 231 (Norwich) Squadron K Daniels, Chairman 231 (Norwich) Squadron

Members of the Public: Four members of the public were present

## 24/001. DECLARATIONS OF DISCLOSABLE PECUNIARY AND OTHER INTERESTS

There were no declarations of disclosable pecuniary and other interests.

## 24/002. APOLOGIES FOR ABSENCE

Written apologies for absence were received and accepted by the Council from Cllr. H Tarlton and verbal apologies from Cllr. A R Tipple.

## 24/003. RESIDENTS' QUESTIONS

On the motion of Cllr. W F Couzens, seconded by Cllr. A L Parker, it was **RESOLVED**, that the meeting be adjourned to receive residents' and councillors' questions on matters concerning the town. Residents and councillors were reminded that their questions should be addressed to the Chairman who would, assisted by the Town Clerk, reply.

Mr D Alexander of Foxburrow Road expressed the following concerns with regard to planning Application 2023/3877 - single storey rear extension and loft conversion at 7, Elizabeth Close:

• It is an invasion of privacy, blocking light from properties on Foxburrow Road;

## 24/003. RESIDENTS' QUESTIONS (CONTINUED)

- The type of music to be played in the music room, live, recording practice etc. could be a potential noise nuisance given its close proximity to neighbouring properties;
- The flat roof extension could be accessible via external stairs and become a seating area and source for overlooking;
- The dormers and cladding material are out of keeping with existing properties;
- The inclusion of a patio door in the front dormer gives rise for further overlooking;
- Some work has already been undertaken;
- Elizabeth Close is a narrow cul-de-sac and the property is in the corner of the turning space. Any on-road parking would restrict vehicles in this turning area;
- The impact of protruding roof lights on night light;
- If the proposal was allowed it would set a precedent in the area;
- The rear extension will reduce natural water drainage and could impact on the properties in Foxburrow Road;
- Hip to gable creates a bigger roof.

## 24/004. PLANNING APPLICATION 2023/3877 - SINGLE STOREY REAR EXTENSION AND LOFT CONVERSION AT 7, ELIZABETH CLOSE, SPROWSTON

The Chairman brought forward consideration of planning application 2023/3877 from agenda item 13 (To consider planning applications to 24 January 2024).

Following discussion Council **RESOLVED** to strongly oppose the granting of this planning application on the following grounds:

- Overdevelopment of the site and unneighbourly;
- The change from hip to gable end roof is out of keeping with the surrounding properties and will increase the overall height of the dwelling;
- The front balcony has the potential for overlooking;
- There is insufficient on-site parking for a four-bedroom property and due to the nature of this narrow cul-de-sac no on-street parking is available;
- The music room has the potential to be a noise nuisance and impact on the amenities of neighbouring properties;
- The proposed render would cause the property to stand out as it does not match the rest of the street scene;

## 24/005. MINUTES

The Minutes of the Council's meeting held on 20 December 2023, having previously been circulated to all Councillors were confirmed and signed by the Chair of the Council.

## 24/006. ACTION FROM MINUTES

There were no actions from the minutes.

## 24/007. POLICE UPDATE

No Police update was received.

## 24/008. <u>KRISTIAN CRITTENDEN, FLIGHT LIEUTENANT (RAFAC) 231 (NORWICH)</u> <u>SQUADRON</u>

Flight Lieutenant Kristian Crittenden gave a comprehensive presentation on the activities, opportunities and benefits offered by the Royal Air Force to their cadets.

He explained there was a wide range of activities available and life in the air cadets was about adventure, opportunity and fun.

Subscriptions and training fees are kept to a minimum and a majority of the uniform is at no cost to cadets.

BTEC's are offered through their training programme.

Skills gained through structure, discipline and challenge can be applied to other aspects of life and improve wellbeing.

The number of cadets had doubled and his aim was to establish closer relations with the wider community.

In answer to Councillors' questions Flight Lieutenant Crittenden responded:

- Whilst he had no specific data on the number of cadets who went on to pursue a career in the Royal Air Force, he was aware it had reduced. However, many cadets did follow a career in uniformed services such as the Police Force.
- The interior capacity of their building was 110 people situated in a large area of open space. The Air Cadets have close relations with St. Williams Way primary school who offer access to their facilities.
- The ratio of girls and boys is 50/50. There are also increasing numbers of young people from minority backgrounds.
- He was not familiar with Sprowston Youth Engagement Project and welcomed the Town Clerk's offer to make an introduction.
- The eligible age group to join Air Cadets is 12 -20 years old.

## 24/008. KRISTIAN CRITTENDEN FLIGHT LIEUTENANT (RAFAC) 231 (NORWICH) SQUADRON (CONTINUED)

- Reasonable adjustments are made for disabled and young people with learning difficulties.
- The Air Cadets no longer have a brass band due to lack of instructors. This is something he was hoping to reinstate.
- The Air Cadets do not have any links with the music hub and he would welcome Cllr. Vincents offer of an introduction.

Councillor M A Booth expressed an interest in becoming the Council's representative for the Air Cadets.

## 24/009. REPORTS FROM COUNTY AND DISTRICT COUNCILLORS

A written report was received from Broadland District Councillor M A Booth.

Cllr. Booth also verbally reported:

- (1) Cottage Plantation car park had been repaired.
- (2) On Thursday 25 January 2024 he was attending a meeting with Quinn Estates and Victors Properties the new developers of Beeston Park.
- (3) The District Councils Review Committee had declined to introduce a second polling station in Sprowston East Ward at St. Cuthberts Church.

With any new insurance contract commencing on 1 April 2024 to provide continuity of cover.

## PLANNING AND TRANSPORTATION

5.1 Gritting Atlantic Avenue

Council was disappointed that despite early indications that the developer would be willing to contract Norfolk County Council to undertake limited gritting of Atlantic Avenue on a 'paid-for' basis, no further progress had been made.

Further to his written report the Town Clerk verbally reported:

5.2 White House Farm Development

Phase 2 and 3 of the White House Farm development was quickly approaching and developers had expressed an interest to meet and discuss phase two preliminary plans with Council before they were submitted to the Planning Authority. He requested Councillors availability.

5.3 D-Day Celebrations

The Town Clerk reported that the Air Cadets had agreed to assist with the D-Day celebrations. The Hellesdon and Sprowston brass band and marquee tent had been booked.

# Serious Violence Duty

## What is the Serious Violence Duty?

The Serious Violence Duty, launched in January 2023, requires specified authorities to plan and collaborate to prevent and reduce serious violence in their local area. It requires them to work together, using existing partnerships where possible, to share information and take effective coordinated action with their local communities.

The Crime and Disorder Act has also been amended to ensure Community Safety Partnerships have the prevention and reduction of serious violence as an explicit priority in their strategies. This is the <u>Safer</u> <u>Norfolk Plan</u> in our county.

## Why is it being introduced?

Serious violence has a devastating impact on victims and their families, instils fear within communities and is extremely costly to society. The Duty is a key part of the Government's programme of work to collaborate and plan to prevent and reduce serious violence.

A multi-agency approach is essential to understand the causes and consequences of serious violence, focusing on prevention and early intervention approaches, which are informed by evidence.

## Who are the specified authorities?

Police, Fire and Rescue Authorities, Integrated Care Boards (Health), Youth Justice Services, Probation and Local Authorities are the specified authorities responsible for delivering the Duty.

Other organisations are integral in the response to the Duty, including police and crime commissioners, educational settings, prisons and secure estates, the voluntary sector businesses and communities.

## What does the Duty involve?

Local areas are encouraged to take a 'public health approach'. This means using data and insights to understand serious violence and its causes locally. It requires collaboration with communities and other partners to general short and longer-term solutions which draw on the evidence of effectiveness. Importantly, this approach focuses on tackling the causes of violence and as such focuses on prevention and early intervention activity as well as deploying criminal justice responses where necessary.

## What are the requirements of the Duty?

Local areas must:

- Confirm the partnership arrangements through which they will deliver the Duty
- Create a strategic needs assessment
- Develop and implement a strategy (published by 31st January 2024)
- Monitor the effectiveness of the strategy

## What is happening in Norfolk?

The Serious Violence Partnership Group, which is part of the <u>Norfolk Community Safety Partnership</u>, formed in 2022 and meets monthly to develop the local response to the Duty. The Community Safety and Violence Reduction Coordination Team within the Office of the Police and Crime Commissioner for Norfolk is supporting the partnership to develop the strategic needs assessment, agree the local definition of serious violence and develop and implement the Serious Violence Strategy.

## Get involved or find out more

If you would like to share your views to help shape Norfolk's response to the Duty <u>please complete this</u> <u>short survey</u>. In the survey there is also an opportunity for you to share your contact details so that the team can get in touch.

You can find the full statutory guidance for the Serious Violence Duty <u>here</u>.

## 17.2.24

Report from County Councillor John Ward

The Heartsease roundabout will be fully closed from 13.4.24 for 5 weeks for resurfacing work. The whole project is now 4 weeks behind schedule. Details of the project can be found at <u>www.norfolk.gov.uk/heartsease</u>

Norfolk County Council propose to make a Road Traffic Act Order limiting speed to 20mph on all the new estate roads behind Tesco, Blue Boar Lane, eg Blaxter Way etc.

The Norfolk Assistance Scheme and the Money support Scheme have been incorporated into the Client Hardship Service. Those in financial difficulties can contact norfolk.gov.uk/chs to see what help is available.

Apprentice Social Workers have celebrated completing their 3-year programme with a Graduation Ceremony. Social Work apprentices are able to study for a fully funded B.A. (Hon) in Social Work whilst working and being paid as full-time employees of Norfolk County Council.

Norfolk County Council is supporting a 2-year Film Office programme to generate an increase in economic activity via an increase in filming activity across the County.

In order to protect wildlife, the Council is asking people not to use flying rings on the beach or to set off sky lanterns or gas filled balloons.

All major housing developments (and from 2/4 also small developments) must now produce a minimum 10% Bio Diversity Gain, eg if 10 trees are removed then 11 must be planted.

Norfolk is to receive £1m Government funds to tackle Anti-Social behaviour. This should result in a lot more police patrols.

Ancient House Museum has received a £200k grant from the National Heritage Lottery Fund to develop it's, Duleep Singh Gallery.

On Thursday 1<sup>st</sup> February, Cllr Penny Carpenter, Mayor of Great Yarmouth, officially opened their new Herring Bridge.

Council Leader Kay Mason-Billig led a delegation to Westminster on the 71<sup>st</sup> Anniversary of the 1953 Floods, to explain the risks Norfolk faces and how those risks could be addressed.

Norwich Castle recorded 224,581 visitors in 2023 1/4-30/11. The same period in 2022 was 187,848. There were 400 applications for the 5 new Museum Teaching Trainee Posts.

## Self Leveling Screed Ground floor only

Proprietary self smoothing levelling screeds Sika Limted Watchmead, Welwyn Garden City, Hertfordshire, AL7 1BQ +44 (0)1707 394444

www.sika.co.uk enguiries@uk.sika.com Product reference: Sikafloor Level-30

Design life of screeds Duration: Subject to reasonable wear and tear.

Condition of use: Subject to correct loading and traffic usage throughout duration. Suitability of substrates

Suitable for specified levels and flatness/ regularity of finished surfaces. Consider permissible minimum and maximum thicknesses of screeds.

Sound and free from significant cracks and gaps. Concrete strength: In accordance with BS 8204-1, Table 2. Cleanliness: Remove plaster, debris and dirt

Moisture content: To suit screed type. New concrete slabs to receive fully or partially bonded construction must be dried out by exposure to the air for minimum six weeks.

## Mixing

Water content: Minimum necessary to achieve full compaction, low enough to prevent excessive water being brought to surface during compaction. Mixing: Mix materials thoroughly to uniform consistency. Mixes other than no-fines must be mixed in a suitable forced action mechanical mixer. Do not use a free fall drum type mixer. Consistency: Use while sufficiently plastic for full compaction. Ready-mixed retarded screed mortar: Use within working time and site temperatures recommended by manufacturer. Do not

retemper. Flatness/ Surface regularity of floor screeds

Standard: In accordance with BS 8204-1, Table 5. Test: In accordance with **BS 8204-1**, Annex C. Sudden irregularities: Not permitted.

## Finishes General Preparation

Standard: In accordance with BS 6150. Refer to any pre-existing CDM Health and Safety File.

Refer to CDM Construction Phase Plan where applicable. Suspected existing hazardous materials: Prepare risk assessments and method statements covering operations, disposal of waste, containment and reoccupation, and obtain approval before commencing work. Preparation materials: Types recommended by their manufacturers and the coating manufacturer for the situation and surfaces

being prepared. Substrates: Sufficiently dry in depth to suit coating. Efflorescence salts: Remove. Dirt, grease and oil: Remove. Give notice if

contamination of surfaces/ substrates has occurred. Surface irregularities: Remove. Joints, cracks, holes and other depressions:

Fill flush with surface, to provide smooth Dust, particles and residues from preparation:

Remove and dispose of safely. Water based stoppers and fillers Apply before priming unless recommended

otherwise by manufacturer. If applied after priming: Patch prime.

Oil based stoppers and fillers: Apply after priming

Doors, opening windows and other moving Ease, if necessary, before coating.

Prime resulting bare areas.

Application standard: In accordance with **BS** 6150 Conditions: Maintain suitable temperature,

humidity and air quality during application and drying. Surfaces: Clean and dry at time of application.

Thinning and intermixing of coatings: Not permitted unless recommended by manufacturer.

Overpainting: Do not paint over intumescent strips or silicone mastics.

Priming coats Thickness: To suit surface porosity. Application: As soon as possible on same day as preparation is completed.

Even, smooth and of uniform colour. Free from brush marks, sags, runs and other defects. Cut in neatly. Doors, opening windows and other moving parts: Ease before

coating and between coats. Previously painted window frames Paint encroaching beyond glass sight line:

Remove. Loose and defective putty: Remove.

Putty cavities and junctions between previously painted surfaces and glass: Clean thoroughly.

## Patch prime, reputty as necessary, and allow to set. Seal and coat as soon as fully set. Uncoated plasterboard

Depressions around fixings: Fill with stoppers/ fillers Joints: Fill, tape and feather out with materials recommended by textured coating manufacturer.

Existing Wall coverings Retained wall coverings: Check that they are in good condition and well adhered to substrate.

Previously covered walls: Wash down to remove paper residues, adhesive and size

Previously coated wood Degraded or weathered surface wood: Take back to provide suitable substrate. Degraded substrate wood: Repair with sound material of same species. Exposed resinous areas and knots: Apply two coats of knotting.

## Flooring and Wall Finish

Existing floor covering removed Substrate:Clear of covering and as much adhesive as possible. Skim with smoothing compound to give smooth, even surface.

International agreements such as the 'Convention on International Trade in Door leaf: As per schedule Endangered Species of wild fauna and flora (CITES)'. Documentation: Provide either in accordance with chain of custody

certification scheme requirements: Documentary evidence (which has been Finish as delivered: Polyester powdercoated or can be independently verified) regarding the provenance of all timber supplied, or

Evidence that suppliers have adopted and are implementing a formal environmental purchasing policy for timber and wood-based products.

Fire-resisting and smoke control/ door assemblies/ doorsets UKCA/ UKNI/ CE marked fire-resisting and smoke control pedestrian

doorsets: To BS EN 16034 and in conjunction with BS EN 13241, BS EN 14351-1 and BS EN 14351-2.

Door products: As defined in **BS EN 12519**.

Evidence of fire performance: Provide certified evidence, in the form of a product conformity certificate, directly relevant fire test report or engineering assessment, that each door/ door assembly/ doorset supplied will comply with the specified requirements for fire-resisting and/ or smoke Finish as delivered: Polyester powdercoated control if tested to BS 476-22, BS EN 1634-1, BS EN 1634-3 or is UKCA/ UKNI/ CE marked to BS EN 16034. Specified values should not be a combination of both standards. Such certification must cover door and frame materials, glass and glazing materials and their installation, essential and ancillary ironmongery, hinges and seals. Components, assemblies or sets will be marked to the relevant UKCA/ UKNI/ CE marking European product standard (hEN), national product

standard and/ or third-party certification rating. Fixing of loose thresholds

## Spacing of fixings: Maximum 150 mm from each end and at 600 mm

maximum centres. Installation of emergency exit devices Standard: Unless specified otherwise, install panic bolts/ latches in

accordance with BS EN 1125.

## Sealant and Jointing

Manufacturer: Contractor's choice . Product reference: Contractor's choice .

## Report of the Town Clerk

## COMMUNITY BUILDINGS, ALLOTMENTS, PARKS AND OPEN SPACES

# 1.1 Sprowston Diamond Centre Community Cinema - Childrens' Film Screening of 'Wonka' on 4<sup>th</sup> April 2024 (Easter School Holidays)

Sprowston Infant School Friends' Association (a registered charity) is holding a golden ticket raffle for world book day. They would like to purchase 5 tickets (£2 each) to our screening of 'Wonka', to use as raffle prizes. However, as the Friends Association is are registered local charity, Council may wish to consider donating 5 tickets.

## Sprowston Town Council Decision requested:

To consider donating to Sprowston Infant School Friends' Association 5 tickets to the screening of "Wonka" to be held on Thursday 4<sup>th</sup> April 2024.

## 1.2 Harrisons Wood – Tree Safety Report

Although Harrisons Wood is still managed by Broadland District Council, Sprowston Town Council is kept informed of significant developments within the woodland.

I have been advised that a tree safety survey of Harrisons Wood was conducted in December 2023. The survey revealed 75 'moderate risk' dead pines. These are to be felled as soon as possible and left in place for conservation habitat purposes. In addition, approximately 50 'low' risk trees will be felled as part of forestry works scheduled for September. Where possible, the felled trees will be sold for timber to defray the cost of the tree works.

## PLANNING AND TRANSPORTATION

**5.1 Church Lane Car Park – Proposal to Amend Closing Times** Attached is a schedule showing current closing times for the Church Lane car park compared with closing times of the Rec and Sparhawk Park, and with sunset times. As can be seen from the schedule, in Spring and Autumn there exists a mismatch between Church Lane car park closing times and sunset times. This can lead to staff checking and closing the car park in the dark. Given the secluded nature of the car park and the history of reported criminal activity in the area, it is my view that this poses an unnecessary lone working risk to staff and contractors. Therefore, I propose to align the Church Lane car park's closing times with those of Sparhawk Park (which are in turn more closely aligned with sunset).

The proposed changes in closing times will move some of the responsibility for locking-up the car park from our Grounds Team (who finish work at 4.30pm Monday to Thursday and 4pm on Friday) to our caretaking contractors (Heritage Ltd). For convenience, the attached schedule also lists these proposed new closing times. The additional cost for this amendment would be approximately £350 per year.

## Sprowston Town Council Decision requested:

To consider adjusting closing times at Church Lane car park to match closing times at Sparhawk Park.

## TREE MANAGEMENT POLICY

"No tree can be guaranteed to be safe. As long as we retain trees, we cannot achieve zero risk. A disproportionate response to the actual risks posed by trees leads to unnecessary intervention, particularly alongside roads and public places. Disproportionately responding to risk itself runs the risk of diminishing the landscape and depriving the whole community of the enjoyment of trees and their wider benefits"<sup>1</sup>.

## Common Sense Risk Management of Trees (National Tree Safety Group)

Sprowston Town Council is committed to protecting its arboriculture assets through the positive management of trees.

The Council arranges tree surveys resulting in the identification of trees that require arboriculture work and those requiring felling.

Council has a duty of care to manage its trees and that duty is governed primarily by factors affecting the safety of the public and property, the health of the tree and the risk of spread of disease.

To ensure the efficient management of tree stock, the Council has adopted the following tree management policy:

- All Council-owned trees will be inspected annually for safety.
- Low risk trees such as *saplings, copse trees,* any trees below 5m in height, and/or with limbs narrower than 25mm, or trunks below 75mm in diameter will ordinarily be assessed within groups, but may not be specifically recorded unless they require work or felling. This approach also applies to trees in infrequently used areas, where risk of death or serious injury is extremely low.
- Inspections will be conducted by suitably qualified and reputable arboricultural specialists.

<sup>&</sup>lt;sup>1</sup> Common Sense Risk Management of Trees (Nation Tree Safety Group) https://ntsgroup.org.uk/wp-content/uploads/2016/06/FCMS025.pdf

- Any maintenance work recommended by the inspection report will be put inhand within a timescale commensurate with the risk rating of the identified hazard.
- A visual inspection of Council-owned trees will be conducted (by Town Council officers) after any winds strong enough to damage tree stock.
- Where requests for works are not warranted under our primary duties for tree works, they will not ordinarily be entertained at public cost.
- Any enquiries or report of concerns in relation to apparent dead, dying or dangerous trees will be followed by site inspection by a Town Council officer and/or suitably qualified tree specialist, as may be appropriate to the nature of the concern.
